

## COOKIE POLICY

### **TYPE OF DATA HANDLED**

None of the users' personal data is purposely acquired by the website. Cookies are not used to transmit personal information, and no other permanent cookies or user tracking systems are used. Session cookies (which are not stored permanently on the user's computer and disappear when the browser is closed) and strictly limited to the transmission of session ID data (made up of random numbers generated by the server) required to allow safe and efficient browsing of the website. The session cookies used on this website prevent the need for other computer techniques that could jeopardise the confidentiality of user browsing and do not allow the acquisition of the user's personal ID data.
